

## Pye Bank CE Primary

The Summer holidays are a wonderful opportunity to be able to spend time with friends and family, but here at Pye Bank we recognise it is also a time when our families may need some additional support, that they would normally access from school. Below we have listed some different services that may be able to help and support you and your family throughout the holiday.

### Foodbanks

The website below will help you find a foodbank that covers your local area. In many cases you will need a third party who is already working with you (such as a GP, Social Worker or tenancy support worker to make a referral on your behalf.
