

PYE BANK CE PRIMARY SCHOOL | WEEKLY FAMILY NEWSLETTER

AUTUMN 1 | WEEK 1 | FRIDAY 6TH SEPTEMBER 2024

Welcome Back!

Dear Families,

Welcome back to Pye Bank Primary school at the start of a new school year! I would particularly like to give a warm welcome to families new to Pye Bank- I trust that your children have enjoyed their first week. All families should by now have received their Parent Information Pack. It contains the Parent Calendar, the Parent and other documents that give you plenty of information about the school's systems and policies. I hope that you will find it useful. Along with this weekly newsletter, most of the day-to-day information, updates and messages will be posted on Class Dojo so please check regularly. I am very much looking forward to working with you and your children again this year. Your children are amazing and I am very proud of the fantastic school we have here at Pye Bank!

Mrs Kurcewicz, Headteacher

A WORLD OF FUN WITH FOOD

"Allergens and Intolerances"
All of our food is lovingly hand crafted and prepared on site daily. We have an allergen procedure in place to ensure you make our catering team aware of your allergens/ your child's allergies prior to using the restaurant. Our kitchens are used for multi-purpose production so we cannot guarantee the above allergies are completely free from all ingredients or traces of these.

Free School Meals and Milk: A reminder that all children in F2, Y1 and Y2 are all entitled to Free School Meals under the Universal Free School Meals scheme. In addition, all families on low income are entitled to free school meals. We encourage all families entitled to Free School Meals to apply, regardless of age, as this brings extra funding for them in school. This is called Pupil Premium. We can help you with the forms so please come to the office if you would like some help.

A Spotlight on... Year 6!

In this section, we celebrate a particular event, achievement or area of the curriculum each week.

As our oldest children in the school, we ask Year 6 to set the standard for the rest of the school and be good role models for the younger children. Golden Eagles and Wise Owls have stepped up to this challenge brilliantly this week and have made a great start to the year. Here are some photos of Golden Eagles getting stuck into some Science!

Let's Celebrate!

Gold Award Winners!
