

PYE BANK CE PRIMARY SCHOOL | WEEKLY FAMILY NEWSLETTER

AUTUMN 1 | WEEK 3 | FRIDAY 20TH SEPTEMBER 2024

Home Learning at Pye Bank

Dear Families,

At Pye Bank we view homework as being a task supported by parents where possible, to practise and secure key skills and knowledge. Children in Years 1-6 will receive a homework sheet, stuck into their homework books fortnightly on a Friday. Homework consists of daily reading, spelling, handwriting, times tables and vocabulary words to learn. You will need to return the homework books a couple of days before the end of the two weeks Curriculum Knowledge Organisers and Maths Key Instant Recall Facts will also be posted on Dojo at the start of each half term to support with learning. We do also value other activities undertaken at home which might be used to support learning, for example research about a topic, a day out as a family recorded using photos or some story writing. Class Dojo is a good tool to share these activities with school. Please also remember that children work hard in school and also need to spend down time with their families. Thank you for your continued support.

Mrs Kurcewicz, Headteacher

"Allergens and intolerances"
All of our food is biology hand crafted and prepared on site daily. We have an allergen procedure in place, so please advise you make our catering team aware of your allergies, your child's allergies prior to using the restaurant. Our kitchens are used for multi-residence production so we cannot guarantee the above dishes are completely free from all general ingredients or traces of these.

Local School Board: At Pye Bank, we have a Local School Board, which used to be called the Governing Body, who help provide challenge and support to Mrs Kurcewicz in the strategic leadership of the school. Mr Steve Chew, who has been the chair of the school board for a long time, has made the decision to step down. He has made a significant impact to the school and we would like to thank him for all of his work. We now have a Co-Chair arrangement in Khadra Dirir (parent) and Lucy Davies (ex-parent). They are excited to start their work and plan to engage parents even more with the work that school does to support our children and families.

A Spotlight on... Homework in Year 5

In this section, we celebrate a particular event, achievement or area of the curriculum each week. Year 5 Damflask have made a great start to their homework. They have completed some gorgeous work, which is presented really well. They are really setting the standard for the rest of the school! Well done!
