

## PYE BANK CE PRIMARY SCHOOL | WEEKLY FAMILY NEWSLETTER

AUTUMN 2 | WEEK 2 FRIDAY 15<sup>TH</sup> NOVEMBER 2024

### Pye Bank Winter Fair!

Dear Families,

You will have seen the poster this week about our very exciting winter fair! This is will be the first one that we have held for a few years. It is due to take place on Friday 13<sup>th</sup> December at 2:30pm. Each class will make some items to sell and all proceeds will go towards school improvements. We are going to ask the children to help us decide how to spend it!

There will also be some pop-up stalls available so if you or anyone that you know would have a business and would like to sell your products at the fair please let school know by Friday 29<sup>th</sup> November.

Thank you for your continued support.

Mrs Kurcewicz, Headteacher

Welcome to our Winter Fair

BATH BOMBS  
BISCUITS  
CUPCAKES  
CANDLES

PLAYDOUGH GAMES  
LUCKY DIP

TO EAT MORE FRUIT

KEY

- 1 OF YOUR 5 A DAY
- MEAT FREE MONDAY
- CHEF'S CHOICE
- PLANT BASED VEGAN

A WORLD OF FUN WITH FOOD

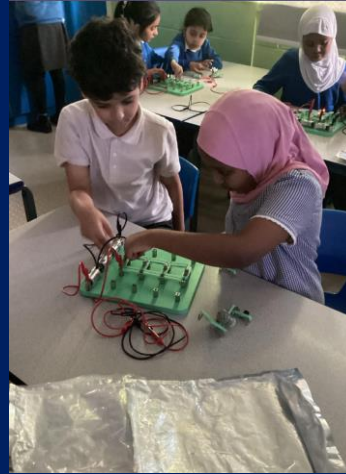

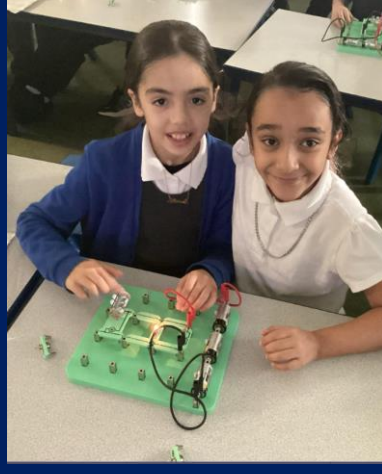

\*Allergens and Intolerances\* All of our food is thoughtfully hand crafted and prepared on the day. We have an allergen procedure in place, so please ensure you make our catering team aware of your allergies, your child's allergies prior to using the restaurant. Our kitchens are used for multi-purpose production so we cannot guarantee the above dishes are completely free from all potential ingredients or traces of these.

**Y2, Y3 and Y4 End of Day Collection:** When the children come out at the end of the day, please allow the teacher to get them lined up against the wall before they begin handing over. It is really important that the teacher hands over safely. To do this they need to see that each child goes to their parent. Please support with this by giving space and waiting on the playground where the teacher can see you. Thank you.

# A Spotlight on... Y4 Visit from the AMRC

In this section, we celebrate a particular event, achievement or area of the curriculum each week.

This week Year 4 have had the opportunity to take part in workshops led by the Advanced Manufacturing Research Centre based at Sheffield University. Their mission is to create engineers of the future. Each class had a session looking at circuits and investigating which materials electricity can travel through.
