ONLINE SAFETY LEARNING PLATFORM

Dear Families,

We are now a member of the National College, which provides training and resources for staff and parent/carers, particularly around online safety and keeping children safe online. We know that this is something that you, as parent/carers have asked for some more support around. This platform gives you access to **hundreds of courses, explainer videos and online safety guides** to support your awareness of the online world. Topics range from understanding apps like TikTok and Instagram to recognising the signs of online harm and what you can do to help. Click on this link <https://v2.nationalcollege.com/enrol/pye-bank-cofe-primary-school> and complete your details. Once you're set up, you'll be able to choose 'Parent/Carer' as your user type and get instant access to all training and resources.

I hope you'll sign-up and make the most of their resources.

A WORLD OF FUN WITH FOOD

Allergens and Intolerances: All of our food is lovingly hand crafted and prepared on site daily. We have an allergen procedure in place, so please ensure you make our catering team aware of your allergy, your child's allergies prior to using the restaurant. Our kitchens are used for multi-purpose production so we cannot guarantee the above dishes are completely free from all allergen ingredients at times of these.

Morning Drop-Offs: A reminder that the gates close at 8:55am so please ensure that you arrive in plenty of time to get your children to class and get back out of school by that time. We have re-introduced the 8:50am bell to help parent/carers know that is when the register is starting and it is time for you to leave. Thanks for your support with this.

A Spotlight on... Eco Council Climate Walk

In this section, we celebrate a particular event, achievement or area of the curriculum each week.
