

Rewarding Positive Behaviour

Class Recognition Board– Teachers show recognition of positive behaviours by adding children’s names to the class recognition board each lesson. The aim is to ensure that our children are recognised frequently for their good behaviour in the classroom.

Class Rewards– Classes work together to earn whole class reward time. The activity that the children take part in for reward time is chosen together as a class.

Star of the Day- At the end of each day, one child is awarded the star of the day by the class teacher. The child is given the Star of the Day certificate and a text message is sent home to parent /carers.

Gold Award- Gold awards are given in Gold Award Assembly every Friday - They are given to acknowledge hard work or determination in a child’s learning .

Praise and positive Language-We use positive praise as a way of recognising good behaviour ,therefore enabling your child to feel valued within our school

Warn and Sanction

Children are expected to show good behaviour and follow the class and school rules at all times . If a child is given a warning they will be reminded of the desired behaviour and made aware that they may lose 5 minutes of their playtime if the behaviour continues.

Sanction 1- Loss of 5 minutes of playtime or lunchtime:

As the sanction is given ,the child will be warned that if their behaviour doesn’t improve they may be asked to take time out in a buddy class. The sanction is to help children understand there is a consequence to their behaviour and that lost learning time needs to be repaid.

Sanction 2– Time Out / Buddy Class

The child will be given 5 minutes time out, outside the classroom or in their buddy class. If the child needs longer time in buddy class, then the Class teacher will provide some independent work for the child to do.

If a child continues to show inappropriate behaviour following the buddy class, then the child will be spoken to by a member of the Inclusion team or Senior Leadership team.

All serious incidents are dealt with by a member of the Senior Leadership team and parents/carers will be asked to attend school for a meeting to discuss any concerns.

Parents can support our Positive Behaviour Policy by:

- Making sure that your child arrives on time (8.40am) and is collected on time.
- Encouraging your child to be polite, well mannered and try their best.
- Supporting your child to complete and return any homework and to bring their reading diary to school everyday
- Talking regularly with your child about learning activities they have taken part in at school and attend parent consultation evenings on a regular basis
- Encouraging your child to be independent and take responsibility for their learning and behaviour.
- Contacting the school when you have a concern to discuss matters relating to the progress, behaviour and happiness of your child.
- Making sure that your child attends school every day when they are well enough to do so.

Our Commitment to You

As a school we aim to work collectively with parents/ carers to ensure the best learning outcomes for all children. If we have a concern about your child’s behaviour we will:

- Speak to you, to ensure you are kept well informed and provide an opportunity for you to see your child's class teacher to discuss any concerns you may have.
- Continue to send your child’s behaviour and effort grades every half term.
- Work with you to create a plan to support your child’s behaviour .
